

PROTECTION

Protection wherever and whenever you need it!

When it comes to keeping kids safe, there is no substitute for adult supervision. But no parent can be everywhere, every minute! BABY-LOC Removable Fencing is so easy to put up and take down, you'll want to use it whenever you want an extra measure of protection for your young ones.

BABY-LOC DELUXE SHOWN

BABY-LOC is also the perfect choice for a raised deck or dock. Neutral black see-through mesh blends beautifully with any decor.

Built to higher standard

Standard pool fencing is built to a 4-foot height. Yet it's clear most toddlers can easily scale a fence this high! Both original BABY-LOC and BABY-LOC DELUXE meet all ASTM standards and exceed U.S. Consumer Product Guidelines with a height of 4-1/2 feet to better protect your children.
