

Aqua Vac Tiger Shark: Built tough to include a 1 year warranty except filter cartridge. 24 DC motor is safer, uses less energy and provides most efficient vacuum strength in it's class. Brushes and scrubs while it vacuums. On-board computer reads pool contours and directs most effective cleaning program across bottom and walls, right up to the waterline. First patented, easy-to-clean, removable cartridge to be incorporated in a computer-controlled robotic pool cleaner. Unmatched quality and safety standards are applied at the factory. Backed by Aqua Vac Systems' 30 years of experience.
